The lower staff continues the accompaniment with eighth notes and quarter notes, ending with a half note C4. The system concludes with a double bar line.

# SAN FRANCISCO

Title song from the film "San Francisco" (1936)  
(Bronislau Kaper / Walter Jurmann / Gus Kahn)

*verse :*

It only takes a tiny corner of  
This great big world to make the place we love;  
My home upon the hill, I find I love you still,  
I've been away, but now I'm back to tell you...

*chorus :*

San Francisco, open your golden gate  
You let no stranger wait outside your door

San Francisco, here is your wanderin' one  
Saying I'll wander no more

Other places only make me love you best  
Tell me you're the heart of all the golden west

San Francisco, welcome me home again  
I'm coming home to go roaming no more

\*\* As recorded by JUDY GARLAND:

I never will forget, Mmmm...Jeanette MacDonald  
Just to think of her, it gives my heart a pang  
I never will forget, how that brave Jeanette  
Just stood there in the ruins and sang, and sang...

San Francisco, open your golden gate  
You'll let nobody wait outside your door  
San Francisco, here is your wanderin' one  
Saying I'll wander no more

Other places only make me love you best  
Tell me you're the one in all the golden west  
San Francisco, I'm coming home again  
Never to roam again...

San Francisco, right when I arrive  
I really come alive...  
And you will laugh to see me,  
Perpendicular, hanging on a cable car

San Francisco, let me beat my feet  
Up and down Market Street  
I'm gonna climb Nob Hill, just to watch it get dark  
From the top of the mark

There's Brooklyn Bridge, London Bridge  
And the Bridge of San Louis Rey  
But the only bridge, that's a real gone bridge  
Is the bridge accross the bay

San Francisco, I'm coming home again  
Never to roam again, by gum  
San Francisco, I don't mean Frisco  
San Francisco, here I come!
